

A misty forest landscape with a gold-bordered frame. The frame is a shield-like shape with a gold border and a grey shadow. The background is a dense forest of evergreen trees, with mist or fog rising from the forest floor, creating a soft, ethereal atmosphere. The trees are in various shades of green, from dark to light. The mist is a pale, hazy grey, partially obscuring the trees in the distance.

Pathfinder

**The ethical
KiwiSaver plan**

What does ethical mean?

Investing with Pathfinder, an ethical KiwiSaver provider, means that your money will go into companies making a positive difference in our world. Pathfinder also avoids investments that harm our society or environment. Why? Because investing ethically is better for our planet and better for long-term returns.

**Environmental
and social**

**Investment
return focus**

**Donating to our
Community**

You can make a positive impact with your KiwiSaver.

We rate all companies on environmental, social and governance (ESG) metrics. We believe companies that better manage these ESG risks make better long-term investments.

With Pathfinder you know your KiwiSaver is good for your wallet and our planet.
